Public Comment
During the Public Comment period any member of the public may bring a matter to the attention of the Commission that is within their jurisdiction. The Ralph M. Brown Act limits the Chair’s, Commission’s and staff’s ability to respond to comments on non-agendized matters at the time such comments are made. Thus, your comments may be agendized for a future meeting or referred to staff. The Commission may discuss or ask questions for clarification, if desired, at this time. We ask that you fill out a blue “Speaker Request Form”. Speaker Request Forms are available at the meeting and on the city’s website under the City Clerk page. The completed form is to be submitted to the Assistant City Clerk at the meeting prior to being heard or comments can be submitted via email to S Aguilar@EastvaleCA.gov. Public comment is limited to two (2) minutes each with a maximum of six (6) minutes.

Public Hearing
The public is encouraged to express your views on any matter set for public hearing. It is our procedure to first receive the staff report, then to ask for public testimony, first from those in favor of the project followed by testimony from those in opposition to it, and if there is opposition, to allow those in favor, rebuttal testimony only as to the points brought up in opposition. To testify on the matter, you will need to fill out a blue “Speaker Request Form”. Your name will be called and you can approach the speaker podium and make your statement. After a hearing is closed, you may not further speak on the matter unless requested to do so or are asked questions by the Mayor or a Member of the City Council. Public comment is limited to two (2) minutes each with a maximum of six (6) minutes.
