

SANDBAGS DURING FLOOD EVENTS

During this rainy season and the potential of heavy downpours, a limited supply of pre-filled sandbags are available to Eastvale residents for flood control purposes. Residents can protect their homes by using sandbag walls to divert water and mud flows.

SANDBAGS CAN BE PICKED UP AT:

- Fire Station #27 - 7067 Hamner Avenue
Eastvale, CA 92880
- Fire Station #31 - 14491 Chandler Street
Eastvale, CA 92880

SANDBAGS WILL BE DISTRIBUTED AS FOLLOWS:

- Residents requesting sandbags must provide proof of Eastvale residency through a current utility bill and valid California's Driver License/ Identification Card when picking up sandbags.
- 10 bags per Eastvale household will be distributed.
- Residents will be responsible for loading sandbags into their personal vehicle.
- Available while supplies last.
