

Are You Prepared For An Emergency?

Join Us June 26-28, 2015

Why Take CERT Training?

CERT training provides basic emergency skills needed immediately following a major disaster, when emergency services may not be available and when residents may have to rely on each other for life-saving and life-sustaining needs. CERT training provides you the knowledge needed to provide help for family and neighbors in emergency situations—whether caused by terrorism, technological disasters, severe weather or earthquakes.
