Members of the clergy, and members of faith based and civic organizations, are invited to attend the inaugural meeting of the Cops & Clergy Network on Tuesday, June 16, 2015, at 4:00 p.m. at the Jurupa Valley Sheriff's Station. This chapter of the Cops and Clergy Network is sponsored by the Riverside County Sheriff's Department – Jurupa Valley Station, which provides police services to the cities of Eastvale, Jurupa Valley, and Norco as well as the unincorporated communities of Highgrove, Coronita, El Cerrito, Home Gardens, and Lake Hills.

The purpose of the Cops & Clergy Network is to break down barriers which hinder communication between law enforcement agencies, faith based organizations, and the community at-large. Cops & Clergy Chapters strive to promote collaboration between these groups in solving community problems that might be unresponsive to more traditional approaches.

Cops & Clergy Chapters are non-denominational and membership is open to all faiths, faith based organizations, civic groups, educational systems or school districts, and county or city governmental entities. Our goal will be to identify resources that may be utilized to improve the quality of life in our communities, as well as acting as a conduit for information from local law enforcement to the communities we serve.

We request anyone interested in participating in the Cops & Clergy Network confirm their attendance or request information by leaving a message for Lieutenant Michael Lujan at (951) 955-2600.
