

Western Riverside Energy Leader Partnership 2015 Holiday LED Light Exchange

Celebrate the holidays while saving money and energy!

Come join the Western Riverside Council of Governments (WRCOG) at one of the local community events identified below to exchange your old holiday lights for new LED energy efficient ones.

This opportunity is available, at **NO COST**, to all Southern California Edison (SCE) residential customers in the Western Riverside County region!

100 exchanges will be available per event, so join us early!

Exchange is valid for lighting strand counts of 50 or more

Participation is easy:

1. **MUST BRING** old inefficient incandescent holiday lights. You may exchange up to **TWO** strands. Lights must still work, and contain all bulb parts.
2. **MUST BRING** a recent copy of SCE monthly bill (or proof of electronic bill payment).
3. **MUST BRING** a license or picture identification matching customer name on the SCE bill.
