## **for Families of Corona-Norco Unified School District**

### **Love All – Serve All, Inc.**

On **Saturday, January 30<sup>th</sup>, 2016, from 8:00AM to 1:00PM**, the Eastvale Free Dental & Vision Screening Day will be conducted at:

River Heights Intermediate School

7227 Scholar Way

Eastvale, California, 92880

This free dental and vision screening event will be conducted by **Ayuda International Inc.** and with the generous support and help of the Corona-Norco Unified School District, Corona/Norco/Eastvale community leaders, healthcare professionals, and volunteers from all over Southern California. All services will be provided free of cost in a family atmosphere.

Free consultations will be provided by Healthcare professionals on a first come first serve basis in Optometry, and Dentistry. There will be social service agencies available on site, as well as free sign-ups for Mammogram and Pap Smear through Clinica Medica Familiar.

The following free screenings and services are planned to be provided:

- Vision: Free Eye Screening and referral services for all (children and adults) through Corona Optometry. Screening results will be discussed by professionals on site including referral service information. A limited quantity of adult reading glasses will be provided onsite for those who qualify through a non-profit agency, DOC in a Box.
- Dental: Free Dental consultations, fluoride and hygiene kits will be provided for all parents and children including follow-up care through Tran's Dental. Dental exam results will be discussed on site by the Dentists. A limited number of patients on a first come first served basis may receive as needed onsite treatment such as filling, regular cleaning (coronal polish), tooth extractions, and stainless steel crown.
- Immunizations Available: Tdap, Flu, HPV, and more. Must bring Immunization card.
