EASTVALE WELCOMES SPROUTS FARMERS MARKET

EASTVALE, CA – We are pleased to announce that [Sprouts Farmers Market](#) will be coming to Eastvale! This grocery store will be located at the future Merge Retail Center on the northeast corner of Archibald Avenue and Limonite Avenue.

"Working with our developers, we continue to try and provide services convenient to all of our residents," said Mayor Todd Rigby. "With Sprouts coming to the northwest portion of our city, this will help to provide a grocery store to our residents in that area of town. We look forward to adding Sprouts to the successful businesses we have here in Eastvale. This addition will give our residents another healthy and economical shopping choice."

Sprouts Farmers Market is one of the fastest growing retailers in the country, and is a destination for fresh, natural and organic products at affordable prices. Shoppers will enjoy high-quality meat and seafood at The Butcher Shop and Fish Market, and freshly prepared entrees and sides at the Market Corner Deli. The grocer also carries bulk foods, vitamins and supplements, dairy, bakery, and more. Their commitment to health and fresh produce will bring an inviting shopping experience to Eastvale. The new store will bring approximately 140 career opportunities to the Eastvale community, and we are excited to welcome them.

"The City of Eastvale is thrilled to see The Merge project come together," said City Manager Bryan Jones. "We have a goal of creating community gathering spaces where people can connect and prosper together; this project does that. We will also see more jobs from this project with over 400,000 sq ft of new development. We know this is a grocery store that our residents have been asking for and we couldn't be more excited to share this news with them."

The Merge is a 26-acre retail and light industrial center, located at the northeast corner of Archibald Avenue and Limonite Avenue. The project includes seven industrial business park buildings totaling 336,000 and a 70,000 sq retail center, anchored by Sprouts Farmers Market. The project is highly amenitized and includes a plaza with a stage and other unique features that benefit the community. Stay connected and involved with the City for the announcement of grand opening dates and future venues that will be a part of the Eastvale community. For more information, contact Economic Development Manager, Kimberly Wright at kwright@eastvaleca.gov or 951.703.5432.

"The Merge project is a true collaboration between the City of Eastvale and Orbis to deliver the best product possible," said Managing Partner from Orbis Real Estate Partners, Grant Ross. "This development will be where business and community come together."
