

Dear Eastvale Single-Family Residence Rental Property Owner:

On October 23, 2013, City Council adopted Ordinance No. 2013-13: Single-Family Residential Rental Registration, Inspection, and Crime-Free Rental Housing Program. This ordinance was enacted due to the increase in occurrences of substandard maintenance, unsafe conditions, illegal activity, and public nuisances in single-family residential rental properties. The City Council has mandated a “zero tolerance” policy to this kind of illegal activity in the City.

The Single-Family Residential Rental Registration Program requires property owners to register any single-family residence that will be occupied by someone other than the property owner. Application packets can be obtained from the City’s website or at City Hall. Property owners will be responsible for paying initial fees and completing the following:

- **Business Registration Application:** A Business Registration is valid for a twelve (12) month period (from April 1 through March 31). All registrations expire on March 31 regardless of the date on which they were first approved. Registrations must be renewed on an annual basis in order to remain in effect. Business registration fees are \$114 for the initial application and \$44 for renewals.
- **Rental Property Registration Application:** There are no fees associated with the Rental Property Registration Application. A Single-Family Residential Registration does not have an expiration date so long as the property owner renews the Business Registration annually and there is no change in information contained in the original Rental Property Registration Application.
- **Crime-Free Lease Addendum:** The Crime-Free Lease Addendum must be completed and attached to each executed lease. The property owner must submit a Crime-Free Lease Addendum Certificate along with the Rental Property Registration Application.
- **Property Inspection:** Unless the property is eligible for Self-Certification, an inspection of the property must be conducted on a yearly basis. The property owner will be contacted by City officials to schedule an appointment once all required documents have been completed and received by the City. Residential rental property inspection fees are \$147 per property. If violations are noted during the property inspection and a re-inspection is required, a re-inspection fee of \$73.50 will be charged.

Property owners with a well-maintained property and no outstanding violations of any applicable laws may qualify to participate in the Self-Certification Program. Qualifying properties will not be subject to annual inspections, provided that conditions of the rental property do not deteriorate during that time to point where the rental property would no longer meet eligibility standards. To participate in the Self-Certification Program, a Self-Certification Application Packet must be completed.

If you have any questions regarding the Single-Family Rental Property Registration, please contact (951) 703-4422 or email mwuence@eastvaleca.gov.
